SPLINTERS FROM SPRINGVILLE.

THERE is to be a grand Valentine ball in town on Tuesday evening.

Running horse races on the back streets is a popular pastime with some of the boys.

Dr. York, the free thinker, will speak in the theatre Tuesday night, it is reported. Several of our prominent citizens went to Provo to hear him, both nights he spoke there.

Ed ANDERSON is going to Nephi soon, to set up a temporary photograph gallery. He is a fine fellow and will receive a hearty welcome. Springville will continue as head-quarters.

JOHN MAYCOCK is having a flowing well bored on his premises. They struck water at 50 feet; but in hopes of a better supply, continued farther; and Saturday had reached a depth of 137 feet without success.

"Bud" SMITH, of Provo, and Miss Rene Clark of Springville, were united in marriage Friday afternoon at the bride's residence. Many of their Provo friends were in town and a reception was given in the evening.

THE HUNGERFORD ACADEMY, situated two blocks east of the D. and R. G. W. depot, is a handsome structure and an ornament to the city. The principal, Mr. Smith, is assisted by a corps of able and earnest workers. The Academy is well attended, and seems to be flourishing.

Who would not feel a glow of pride mount his cheek, if he could conscientiously say: "I helped to suppress the criminal habit of profanity?" Irritation generates profanity. What will irritate a man more while driving along road supposed to be kept in repair by the city, than to suddenly find his vehicle fast in an almost inextricable mass of mud, deep ruts and a steep hill a few yards ahead? At first a feeling of awe steals over him; then vexation; and when he is compelled to jump out into knee-deep mud, he begins—well, swearing is no name for it. Just on the northern limits of town is such a place; and many teams have been detained there until assistance arrived. This place should be repaired, for even a light buggy will make it a hard pull. One reported there for some time, a few days ago.

THERE was an exciting runaway last afternoon. It seems that a young fellow stepped down out of his wagon to stop a dog fight; and his team dashed ahead, running for nearly a mile, with two boys on horse-back, in hot pursuit. They were finally brought to a stand still without, strange to say, even a broken strap to repair. JAKE, Springville, Utah, Feby. 11, 1888.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at A. C. Smith & Co's. Drug Store. Large bottles \$1.
